INDEPENDENT AUDITOR'S REPORT

To the Board of Directors and Management of Great Lakes Chamber Music Festival Southfield, MI

We have audited the accompanying financial statements of Great Lakes Chamber Music Festival (a nonprofit organization), which comprise the statement of financial position as of July 31, 2020, and the related statements of activities and changes in net assets, functional expenses, and cash flows for the year then ended, and the related notes to the financial statements.

Management's Responsibility for the Financial Statements

Management is responsible for the preparation and fair presentation of these financial statements in accordance with accounting principles generally accepted in the United States of America; this includes the design, implementation, and maintenance of internal control relevant to the preparation and fair presentation of financial statements that are free from material misstatement, whether due to fraud or error.

Auditor's Responsibility

Our responsibility is to express an opinion on these financial statements based on our audit. We conducted our audit in accordance with auditing standards generally accepted in the United States of America. Those standards require that we plan and perform the audit to obtain reasonable assurance about whether the financial statements are free from material misstatement.

An audit involves performing procedures to obtain audit evidence about the amounts and disclosures in the financial statements. The procedures selected depend on the auditor's judgment, including the assessment of the risks of material misstatement of the financial statements, whether due to fraud or error. In making those risk assessments, the auditor considers internal control relevant to the entity's preparation and fair presentation of the financial statements in order to design audit procedures that are appropriate in the circumstances, but not for the purpose of expressing an opinion on the effectiveness of the entity's internal control. Accordingly, we express no such opinion. An audit also includes evaluating the appropriateness of accounting policies used and the reasonableness of significant accounting estimates made by management, as well as evaluating the overall presentation of the financial statements.

We believe that the audit evidence we have obtained is sufficient and appropriate to provide a basis for our audit opinion.

Opinion

In our opinion, the financial statements referred to above present fairly, in all material respects, the financial position of Great Lakes Chamber Music Festival. as of July 31, 2020, and the changes in its net assets and its cash flows for the years then ended in accordance with accounting principles generally accepted in the United States of America.

Prior Period Financial Statements

The financial statements of Great Lakes Chamber Music Festival as of July 31, 2019 were audited by other auditors whose report dated February 17, 2020, expressed an unmodified opinion on those statements.

NOTE 1 – ORGANIZATION AND NATURE OF ACTIVITIES

Great Lakes Chamber Music Festival "The Festival" presents a variety of chamber music concerts and music education/appreciation events in the metropolitan Detroit area. Most of these activities occur during the month of June, but some occur throughout the year. The Festival receives its support primarily from concert ticket sales, individual donor's contributions, government grants, foundation grants, and corporate contributions.

NOTE 2 – SUMMARY OF ACCOUNTING POLICIES

The following is a summary of certain accounting policies followed in the preparation of these financial statements. The policies conform to accounting principles generally accepted in the United States of America and have been consistently applied in the preparation of the financial statements.

Basis of Presentation

The financial statements of the Organization have been prepared on the accrual basis in accordance with accounting principles generally accepted in the United States of America. The financial statements are prepared in accordance with Financial Accounting Standards Board (FASB) Accounting Standards Codification (ASC) 958 dated August 2016, and the provisions of the American Institute of Certified Public Accountant (AICPA) "Audit and Accounting Guide for Not-for-Profit Organizations" (the Guide"). (ASC) 958-205 was effective January 1, 2018.

Under the provisions of the Guide, net assets and revenues, and gains and losses are classified based on the existence or absence of donor-imposed restrictions. Accordingly, the net assets of the Organization and changes therein are classified as follows:

Net assets without donor restrictions

Net assets that are not subject to donor- imposed restrictions and may be expended for any purpose in performing the primary objectives of the Organization. These net assets may be used at the discretion of the Organization management and the board of directors.

Net assets with donor restrictions

Net assets subject to stipulations imposed by donors, and grantors. Some donor restrictions are temporary in nature; those restrictions will be met by actions of the Organization or by the passage of time. Other donor restrictions are perpetual in nature, where by the donor has stipulated the funds be maintained in perpetuity.

Concentration of Credit Risk

At times, the Organization has balances on deposit with certain financial institutions that may *exceed* federally insured limits. The Organization has not experienced any losses in such accounts. Management believes that the Organization is not exposed to any significant credit risk for cash.

Use of Estimates

The preparation of financial statements in conformity with accounting principles generally accepted in the United States of America requires management to make estimates and assumptions that affect the reported amounts of assets and liabilities and disclosure of contingent assets and liabilities at the date of the financial statements and the reported amounts of revenues and expenses during the reporting period. Actual results could differ from those estimates.

NOTE 2 – SUMMARY OF ACCOUNTING POLICIES (CONTINUED)

Investments

The Festival records its investments in accordance with ASC topic *Not-for-Profit Entities Investments*. Investments are stated at fair values based upon quoted market prices using prevailing financial market information. Realized gains and losses represent the difference between the proceeds received and the cost of investments sold. Unrealized gains and losses represent the change in the market value of the investments during the year.

Accounts Receivable

Accounts receivable are stated net of an allowance for doubtful accounts. The Festival does not require collateral for its accounts or grants receivable. Management believes all receivables are collectible, and therefore there is no allowance for doubtful accounts for accounts receivable at July 31, 2020 or 2019.

Pledges Receivable

The Festival receives pledges of financial support from corporations and individuals. The Festival does not require collateral for its pledges receivable. Revenue is recognized when a pledge representing an unconditional promise to pay is received; in the absence of such a promise, revenue is recognized when the financial support is received. Unconditional promises to give that are expected to be collected in future years are recorded at present value of their estimated future cash flows. The unamortized discount represents the adjustment required to record pledges expected to be received in future years at their current value. Amortization of the discount is recorded as additional contribution revenue and used in accordance with donor-imposed restrictions over the period of the pledge. The discount on those amounts is computed using risk-free interest rates applicable to the years in which the promises are received and the years in which the contributions are expected to be fulfilled. No allowance for uncollected contributions has been recorded, as management believes all amounts are collectible.

Property, Equipment, Depreciation and Amortization

Property and equipment is stated at cost. Expenditures for maintenance and repairs are charged to operating expenses. Adjustments of the asset and the related accumulated depreciation accounts are made for property and equipment retirements and disposals, with the resulting gain or loss included in the Statement of Activities. Depreciation and amortization is computed using the straight-line method over the estimated useful lives of the related assets, which range from 3 to 7 years.

Deferred Revenue

Deferred revenue represents concert sponsorships for the subsequent season. Revenues will be recognized for the season in which concert occurs.

Revenue Recognition

Contributions

Unconditional contributions are recognized when pledged and are recorded as net assets without donor restrictions or net assets with donor restrictions, depending on the existence and/or nature of any donor-imposed restrictions. Conditional promises to give are recognized when the conditions on which they depend are substantially met. Gifts of cash and other assets are reported with donor restricted support if they are received with donor stipulations that limit the use of the donated assets. When a restriction expires, that is, when a stipulated time restriction ends or a purpose restriction is accomplished, net assets

NOTE 2 – SUMMARY OF ACCOUNTING POLICIES (CONTINUED)

with donor restrictions are reclassified to net assets without donor restrictions and reported in the statement of activities as net assets released from restrictions. Donor-restricted contributions whose restrictions are met in the same reporting period are reported as net assets without donor restriction support.

Contract Revenue and Ticket Sales

The organization receives fees performance contracts and ticket sales, which are recognized in the period in which the services are performed.

Special Events

Special event revenues are reported net of direct expenses. For the years ended July 31, 2020 and 2019 direct expenses were \$4,886 and \$4,398, respectively.

Income Taxes

The Organization operates as a not-for-profit corporation under Section 501(c)(3) of the Internal Revenue Code and is exempt from income taxes. ASC guidance regarding accounting for uncertainty in income taxes clarifies the accounting for income taxes by prescribing the minimum recognition threshold income tax position is required to be met before being recognized in the financial statements and applies to all income tax positions. Each income tax position is assessed using a two-step process. A determination is first made as to whether it is more likely than not that the income tax position will be sustained, based upon technical merits, upon examination by the taxing authorities. If the income tax position is expected to meet the more likely than not criteria, the benefit recorded in the financial statements equals the largest amount that is greater than 50% likely to be realized upon its ultimate settlement. At July 31, 2020 and 2019, there were no uncertain tax positions that required accrual.

Functional Expenses

The financial statements report certain categories of expenses that are attributed to more than one program or supporting function. Therefore, expenses require allocation on a reasonable basis that is consistently applied. The expenses that are allocated include administrative, occupancy and general operating expenses on the basis of estimates of time and effort. All other expenses are allocated based on direct identification and utilization.

NOTE 4 – FAIR VALUE MEASUREMENTS

ASC topic *Fair Value Measurements*, establishes a framework for measuring fair value. That framework provides a fair value hierarchy that prioritizes the inputs to valuation techniques used to measure fair value. The hierarchy gives the highest priority to unadjusted quoted prices in active markets for identical assets or liabilities (level 1 measurements) and the lowest priority to unobservable inputs (level 3 measurements). The three levels of the fair value hierarchy under ASC topic *Fair Value Measurements* are described as follows:

Level 1:

Inputs to the valuation methodology are unadjusted quoted prices for identical assets or liabilities in active markets that the Festival has the abilities to access.

Level 2:

Inputs to the valuation methodology include:

- quoted prices for similar assets or liabilities in active markets;
- quoted prices for identical or similar assets or liabilities in inactive markets;
- inputs other than quoted prices that are observable for the asset or liability;
- inputs that are derived principally from or corroborated by observable market data by correlation or other means;
- if the asset or liability has a specific (contractual) term, the level 2 input must be observable for substantially the full term of the asset or liability.

Level 3:

Inputs to the valuation methodology are unobservable and significant to the fair value measurement.

The asset or liability's fair value measurement level within the fair value hierarchy is based on the lowest level of any input that is significant to the fair value measurement. Valuation

NOTE 4 – FAIR VALUE MEASUREMENTS (CONTINUED)

techniques used need to maximize the use of observable inputs and minimize the use of unobservable inputs.

Following is a description of the valuation methodologies used for assets measured at fair value.

Money Market Funds: Valued at cost plus interest earnings throughout the year.

Mutual funds, ETP and Alternative investments: Valued at the closing price reported in the active market on which the individual securities are traded.

The preceding methods described may produce a fair value calculation that may not be indicative of net realizable value or reflective of future fair values. Furthermore, although the Festival believes its valuation methods are appropriate and consistent with other market participants, the use of different methodologies or assumptions to determine fair value or certain financial instruments could result in a different fair value measurement at the reporting date.

The Festival's assets at fair value for July 31, 2020 and 2019:

NOTE 5 – IN-KIND CONTRIBUTIONS

The Organization received contributions for food and beverage services. Such contributions are recorded at fair value when received. For the years ended July 31, 2020 and 2019 the value of donated items was approximately \$2,099 and \$4,175, respectively.

NOTE 6 – ENDOWMENT

In 2014, the Festival established an endowment called the James Tocco Endowed Fund for Artistry & Innovation. The Endowment is a donor-restricted fund. As required by GAAP, net assets associated with endowment funds are classified and reported based on the existence or absence of donor-imposed restrictions.

NOTE 6 – ENDOWMENT (CONTINUED)

The use of funds invested in the Board Managed Endowment Account is restricted. Principal can be withdrawn only for operating emergencies. The Festival intends that the target reserve balance for this fund will represent 10% of the current operating budget. The Cash Reserve Fund may be replenished for amounts previously distributed through transfers of surplus from the operating fund or additional donor contributions. An amount representing 4.25% of the current calendar year end balance will be distributed on March 31 and September 30 of the following year into the Organization's general account.

Interpretation of Relevant Law

The Festival has interpreted the Uniform Prudent Management of Institutional Funds Act (UPMIFA) as requiring the preservation of the fair value of the original gift as of the gift date of the donor-restricted endowment funds absent explicit donor stipulations to the contrary. In accordance with generally accepted accounting principles and this interpretation, the Festival classifies as permanently restricted net assets (a) the original value of gifts donated to the permanent endowment, (b) the original value of subsequent gifts to the permanent. endowment, and (c) accumulations to the permanent endowment at the time the accumulation is added to the fund. The remaining portion of the donor-restricted endowment fund that is not classified in permanently restricted net assets is classified as unrestricted unless otherwise specified by the donor.

The Festival considers the following factors in making a determination to appropriate or accumulate donor-restricted endowment funds:

- 1) The duration and preservation of the fund
- 2) The purposes of the Festival and the donor-restricted endowment fund
- 3) General economic conditions
- 4) The possible effect of inflation and deflation
- 5) The expected total return from income and the appreciation of investments
- 6) Other resources of the Festival
- 7) The investment policies

Return objective and risk parameters

The Festival has adopted investment and spending policies for the endowment assets that attempt to provide a predictable stream of funding to programs supported by its endowment while seeking to maintain the purchasing power of the endowment assets. Endowment assets include those assets of donor-restricted funds that the organization must hold in perpetuity or for a donor-specified purpose. Under this policy, as approved by the Board of Directors, the endowment assets are invested in a manner that is intended to produce results that provide a return of at least five percent (5%) above the rate of inflation as measured by the Consumer Price Index for the Endowment's first five (5) years and an average annual total portfolio return of at least six and one-half percent (6.5%) over the next ten (10) years. Actual returns in any given year may vary from this amount.

Strategies employed for achieving objectives

The Festival targets a diversified asset allocation of its investments in a mix of asset classes that is expected to achieve its long-term return objectives within prudent risk constraints. The funds are to be broadly diversified in order to minimize the risk of large losses in individual investments. The commitment to any one security should be limited to a maximum of ten percent (10%) of the portfolio's market value, with the exception of United States Government Securities and mutual funds (or other diversified pools). The organization's asset mix includes: cash and cash equivalents ranging from 0 to 20 percent, equities ranging from 40 to 75 percent and fixed income investments ranging from 25 to 55 percent of the investment portfolio.

NOTE 10- OTHER FOUNDATION ENDOWMENTS

The Festival has an Endowment Fund (the "Fund") with the Community Foundation for Southeast Michigan ("CFSEM"). The Fund is maintained and administered by CFSEM for the purpose of providing support to further the general charitable purposes of the Festival. Annual distributions are based on the average market value of the Fund for the previous twelve quarters. At July 31, 2020 and 2019, CFSEM held assets in the Fund with a market value of \$526,475 and \$528,727, respectively, for the benefit of the Festival. Such assets are excluded from the accompanying financial statements. During the years ended July 31, 2020 and 2019, the Festival received \$23,493 and \$22,821 from the Fund, respectively.

In addition, the Festival has an Endowment Fund (the "Endowment") with the United Jewish Foundation of Metropolitan Detroit ("UJFMD"). The Endowment is maintained and administered by UJFMD for the purpose of providing support to further the general charitable purposes of the Festival. Annual distributions are based on 5.50% of the average balance of the fund over the last twelve quarters. At July 31, 2020 and 2019, UJFMD held assets in the Endowment with a market value of \$92,299 and \$95,560, respectively, for the benefit of the Festival. Such assets are excluded from the accompanying financial statements. During the years ended July 31, 2020 and 2019, the Organization received \$4,804 and \$4,780 from the Endowment, respectively.

NOTE 11- COMMITMENTS

The Festival has a professional services agreement for artistic director services through July 2023. The Festival had \$30,000 and \$28,660 for the artistic director's fee for the years ended July 31, 2020 and 2019, respectively. The minimum future obligations for payments are \$31,667 for the year ending July 30, 2021.

NOTE 12 – SUBSEQUENT EVENTS

The Organization has performed a review of events subsequent to the statement of financial position through the date the financials were available to be issued. Towards the end of December 2019, an outbreak of a novel strain of coronavirus (COVID- 19) emerged globally. There have been mandates from federal, state, and local authorities requiring forced closures of events, and the Organization has cancelled some of its planned events following those mandates. It is not currently possible to know how long these mandates will continue. As a result, these mandates could negatively impact the Organization's ticket revenues and fundraising events. Although it is not possible to reliably estimate the length or severity of this outbreak and hence its financial impact, any significant reduction in performances and events caused by COVID-19 could result in a loss of revenues and may have other materially adverse effects.

NOTE 13 – COMPARATIVE STATEMENTS

Comparative Data

Certain amounts shown for the year ended July 31, 2019 in the accompanying financial statements are included to provide a basis for comparison with 2020 and present summarized totals only. Accordingly, the 2019 totals are not intended to present all information necessary for a fair presentation in conformity with accounting principles generally accepted in the United States of America. Such information should be read in conjunction with the Organization's financial statements for the year ended July 30, 2019, from which the summarized information was derived.

NOTE 13 – COMPARATIVE STATEMENTS (CONTINUED)

Reclassification

Certain 2019 amounts have been reclassified to conform to the 2020 statement presentation.

NOTE 14 – DATE OF MANAGEMENT'S REVIEW

The financial statements have been reviewed by management through the date of this report, which is the date the financial statements were available to be issued.
